Plan Information	Participating Provider	Non-Participating Provider
Benefit Period	Plan Year	
Primary Care Provider (PCP) Required	Encouraged, but not required	
Pre-Certification and Prior Authorization Requirements	Provider Responsibility	Member Responsibility
		If you fail to obtain Prior Authorization for certain services, you may not be eligible for reimbursement under your plan. Please see additional information below.

Member Cost Sharing	Participating Provider	Non-Participating Provider
<b>Annual Deductible</b>		
Individual	\$300	\$600
Family	\$600	\$1,200

<b>Member Cost Sharing</b>	<b>Participating Provider</b>	<b>Non-Participating Provider</b>
Your plan has an embedded Deductible, which means the plan pays for Covered Services in these two scenarios — whichever comes first:		
*When an individual family member reaches his or her individual Deductible. At this point, only that person is considered to have met the Deductible; OR		
*When a combination of family members' expenses reaches the family Deductible. At this point, all covered family members are considered to have met the Deductible.		
Deductible applies to all Covered Services you receive during the Benefit Period, unless the service is specifically excluded.		
<b>Coinsurance</b>		
	You pay \$0 after Deductible.	You pay 20% after Deductible.
	Copayments may apply to certain Participating Provider services.	
<b>Annual Coinsurance Limit</b>		
Individual	\$0	\$2,000
Family	\$0	\$4,000
The Annual Coinsurance Limit is the maximum amount you will have to pay in Coinsurance before your benefits are covered without a Coinsurance cost share. Any amount paid in Coinsurance during the plan year will be applied towards the satisfaction of your plan's Total Annual Out-of-Pocket Limit.		
<b>Total Annual Out-of-Pocket Limit</b>		
Individual	\$7,350	Not applicable
Family	\$14,700	Not applicable
Your plan has an embedded Out-of-Pocket Limit, which means the Out-of-Pocket Limit is satisfied in one of two ways — whichever comes first:		
*When an individual within a family reaches his or her individual Out-of-Pocket Limit. At this point, only that person will have Covered Services paid at 100% for the remainder of the Benefit Period; OR		
*When a combination of family members' expenses reaches the family Out-of-Pocket Limit. At this point, all covered family members are considered to have met the Out-of-Pocket Limit and Covered Services will be paid at 100% for the remainder of the Benefit Period.		
Out-of-Pocket costs (Copayments, Coinsurance, and Deductibles) for Covered Services apply toward satisfaction of the Out-of-Pocket Limit specified in this Schedule of Benefits. <b>NOTE: For Covered Services rendered by Non-Participating Providers, only Coinsurance applies toward this Limit.</b>
